

5TH GRADE'S GLOBAL AWARENESS RESEARCH PROJECT

My topic: _____

You will be researching your topic to answer the following questions:

How are humans impacting the earth in negative and/or positive ways? Describe and explain how this is related to your topic. Going forward, how can we have a more positive impact?

Directions

1. Read 3-5 research articles on how your topic is related to the question.
2. Decide which structure best fits your research topic. (Structures are: cause and effect, problem and solution, compare and contrast, sequence and order)

Article 1 Structure: _____

Article 2 Structure: _____

Article 3 Structure: _____

Article 4 Structure: _____

Article 5 Structure: _____

3. Reread your articles and take notes in the graphic organizer that matches your structure. Complete one organizer for each article.
4. Write a minimum of two paragraphs answering the above questions using the information you have learned.
5. Decide how you would like to present your information. (poster, google slide, diorama, pamphlet, other ideas welcome but need to be approved)

My Project: _____

Your project must include the following information/features:

- Title based on the question and your topic
- At least two paragraphs answering the question with headings
- Your final graphic organizer containing the most important information
- An illustration or photograph with a caption
- Your name

Other Requirements:

Your Project should be...

- Colorful
- Neat/Organized
- Have correct spelling, punctuation, and grammar
- Understandable
- Your best effort
